Evidence Receiving Quality Assurance Manual

Court Testimony Evaluation

The court testimony evaluation form shall be completed annually by the attorney requesting testimony from the Forensic Technician. The Forensic Technician Supervisor, another Forensic Technician, or Forensic Scientist may also monitor the testimony of a Forensic Technician.

The Forensic Technician is responsible for providing the court testimony form to the person that will be monitoring his/her testimony.

The completed court testimony evaluation form shall be returned to the Forensic Technician Supervisor or the Crime Laboratory Regional Supervisor for review with the employee. The court testimony evaluation form will be maintained in Ensar.
